

## Mu Lan

**Mu Lan is a Chinese woman warrior. She disguised herself as her brother to take her father's place in the army. She fought for ten years and won many battles.**

**Headwear:** In ancient China, thousands of men were called upon to fight in the war. Mu Lan, the legendary woman warrior, disguised herself as her brother to take her father's place in the army.

**Body:** The Chinese legend says that Mu Lan wore her father's armor. For ten years, she won many battles and everyone thought she was a man.

**Legs:** These are the legs of the legendary woman warrior, Mu Lan.

**FACT:** According to Chinese legend, Mu Lan heard that the army was drafting people. She was so anxious to help her family that she immediately purchased a horse, a saddle, a bridle, and a whip, to prepare for the battle.
